### WINE DESCRIPTION

Harmony and pureness at their best – this is how we would describe the Becsek vineyard and the Hárslevelű grape variety – as showcased by Expression 2015, the 5th consecutive vintage of this special selection. In the nose, it has lively, fresh and playful scents of thyme, chamomille and ripe butter-pears. The dominance of pears continues on the palate, enriched by gooseberry and lime. Due to the minerality of the Mád terroir, and the elegance of the variety, the wine's aftertaste is long and unforgettable.
